of Correction

Commissioner of Patents and Trademarks
Washington, DC 20231

REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR §1.322

Dear Sir:

It is respectfully requested that the Commissioner issue the attached Certificate of Correction to correct a typographical error in U.S. Patent 6,378,020 B2 ("the '020 patent", copy attached). In particular, the attached Certificate of Correction seeks to correct an error in claim 40 (col. 28 of the '020 patent, copy attached as Exhibit 1). Claim 40 should include the word --integratedd-- substituted for the word "integrate" at line 51 (i.e., directly preceding the word "circuit" at line 51).

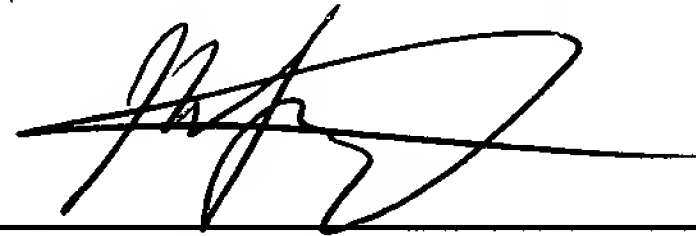

All relevant amendments, for example, the Amendment after Allowance per 37 CFR §1.312 dated April 6, 2001, copy attached, clearly and consistently shows the word "integrated" preceding the word "circuit" on line 1 of claim 190 (see page 7) which was renumbered as claim 40 in the '020 patent. There were no subsequent

amendments of the above-referenced application which affected claim 190 (i.e., claim 40 in the '020 patent).

This error incurred through the fault of the U.S. Patent and Trademark Office ("USPTO"), as is clearly disclosed by the records in the USPTO.

It is respectfully requested that the attached Certificate of Correction issue. It is noted that should a telephone interview expedite consideration of this request in any way kindly contact the undersigned at 650-947-5336.

Respectfully submitted,

Jose G. Moniz
Agent of Record
